

Happenings at the Lewistown Public Library – July 13

Are You Traveling?

Summer traveling is a wonderful time to listen to audio books. We have a great selection of both adult and youth titles on CD and cassette. Have an MP3 player or a similar listening device? Consider downloading books from Montana Library 2 Go audio books. Available through the library or your home computer, these audio books checkout for two weeks and automatically check back in so you need not worry about any overdue fines. Whatever your choice, audio books make the traveling miles fly by.
